

RAM[®] MOUNTS

Bicycle Mounts

EZ-ON/OFF™ Bicycle Mount with X-Grip®

The lightweight EZ-ON/OFF Bicycle Mount fits most common bar sizes using zip ties. Together with the X-Grip, the included base adjusts to allow for the best viewing angle of your phone.

Part:	Fits Handlebars:	X-Grip Fits:
RAP-274-1-UN7	.5" - 1.83" dia	phones
RAP-274-1-UN10	.5" - 1.83" dia	larger phones

Torque™ Rail Mount with X-Grip

Perfect for mountain biking and other high vibration settings, the Torque Rail Mount features nylon-insert locknuts to prevent loosening. The included sizing inserts provide a snug fit and additional protection for handlebars and rails.

Part:	Fits Handlebars:	X-Grip Fits:
RAM-B-408-75-1-UN7U	.75" - 1" dia	phones
RAM-B-408-75-1-UN10U	.75" - 1" dia	larger phones
Included Hardware:	stainless bolts, nylock nuts, rubber strip, 2 sets of bushing inserts, hex key	
Ball Size:	1" diameter rubber ball	

Tough-Claw™ Mount with X-Grip

For handlebars and seat posts in its clamping range, the Tough-Claw provides stress-free, tool-less installation and removal. Simply clamp and tighten the Tough-Claw before placing your device on the X-Grip.

Part:	Tough-Claw Clamping Range:	X-Grip Fits:
RAM-HOL-UN7-400	.625" - 1.5" dia	phones
RAM-HOL-UN10-400	.625" - 1.5" dia	larger phones

**Refer to page 25 of Powersports catalog for X-Grip dimensions*

EZ-Strap™ Rail Mount with X-Grip®

The EZ-Strap can be cut to mount your device to square rails and irregular shapes. This provides a great fit for a wide variety of dimensions and rails – all with the versatility of the X-Grip cradle.

Part:	Fits Handlebars:	X-Grip Fits:
RAP-SB-187-UN7	.5" - 2.58" dia	phones

Tough-Claw™ with Level Cup™ Drink Holder

With the Level Cup holder, drinks stay upright and don't spill so keeping hydrated is never a worry. Attached to the Tough-Claw, installation is as easy as clamping and tightening to a handlebar or rail.

Part:	Tough-Claw Clamping Range:	Level Cup Fits:
RAM-B-132-400	.625" - 1.5" dia	Cups, cans, bottles or mugs 2.5" - 3.5" dia

Action Camera Adapter

Don't fear damaging or losing your action camera while capturing your adventures again. The Action Camera Adapter combines reliability with the modular RAM mounting system universe. Just replace the factory mounting bracket to attach the adapter under your camera.

Part:	Fits:	Ball Size:
RAP-B-202-GOP1	Action cameras with a two-pronged attachment	1" dia rubber ball

**Refer to page 25 of Powersports catalog for dimensions*
